

Inspiration

Christian Science Society, Nantucket, Massachusetts

We regularly put a basket filled with Sentinels and other Christian Science literature out near the walk and bike path in front of our church building whenever we are in the building and also when there is good weather, we leave it for a few days. At some point when I went to retrieve the basket, there was a loaf of Something Natural bread in it (one of the bakeries on island).

A few weeks later, a man showed up in church during our Wednesday evening testimony meeting and he said he was the one who left the bread and he just wanted to feed us as we had been feeding him. We would add that when he is done with his magazines, he shares them with others in his family and with friends.

If you would like to read articles from the periodicals about Reading Rooms, visit "[Reading Room resources](#)" page and scroll down the page to the "Inspiring articles from the Christian Science magazines" section.

We want to hear from you! How have members of your church and Reading Room staff been praying in support of the healing activity of your Reading Room? Please send your submissions to: opendoors@csps.com.

EVENTS & OPPORTUNITIES

Annual Meeting 2022

We're so grateful we could gather together this year in Boston and online for Annual Meeting 2022. It was a joy to explore this year's theme together:

One infinite God, good, unifies men and nations; constitutes the brotherhood of man; ends wars; fulfils the Scripture, "Love thy neighbor as thyself;" annihilates pagan and Christian idolatry, — whatever is wrong in social, civil, criminal, political, and religious codes; equalizes the sexes; annuls the curse on man, and leaves nothing that can sin, suffer, be punished or destroyed.

— Mary Baker Eddy, *Science and Health with Key to the Scriptures*, p. 340, emphasis added

The Annual Meeting replay is now available in English, French, German, Portuguese, and Spanish at christianscience.com/annualmeeting. Enjoy!

Zoom chats with Reading Room Ambassador Jan Sappenfield (date of first announcement 7/20/2022)

We have had four Zoom chats with Reading Room Librarians in the past month. They have been full of idea sharing, inspirations, and good fun. We have focused on the East Coast of the United States for now, for time

reasons, but will be "zooming" to the West Coast shortly. These chats will be ongoing, so if any of you would like to be included, please let Jan know. Her email is sappenfieldj@csps.com.

If you have a suggestion for a webinar topic, please send it to: opendoors@csps.com. We want to make sure that our webinar topics are of interest to you. All but one of the webinars presented in 2021 have come at your request.

The Bound Volumes for 2021 arrived at our warehouse and are ready for ordering with immediate shipping. Thank you for your patience. A note about this year's Bound Volumes – due to the redesign of the *Sentinel*, there will be only one *Sentinel* volume for the entire year, rather than the two that we have been having. The

new format of the *Sentinel* means that the book will be slightly smaller, too, and the cover will look a little different from past years.

You can access PDFs of translated ‘Table of Contents’ for the July and August *Herbals* in the Reading Room Resources Dropbox folder on ChristianScience.com. We will continue to add translations for the coming months. The team is interested in any feedback about this offering, so if you have some, please send it to: opendoors@csp.com.

Product Update (date of first announcement 8/25/2022)

**Folheto com os Dez Mandamentos e as Bem-aventuranças
(Ten Commandments and Beatitudes Foldout)**

Due to a typo in the Portuguese Ten Commandments and Beatitudes foldout product, we are removing existing stock from inventory and doing a corrected reprint right away. We will be reaching out to purchasers of the

defective foldout requesting that they remove the product from their shelves and informing them that we will ship them corrected foldouts as soon as they become available.

Product Update: From the Monitor (date of first announcement 7/20/2022)

Starting with August 1, the cover of the Monitor Weekly will have two words added in front of the date, at the top right corner. It will now read, "**Week of** DATE" - in this example Week of August 1. We hope this will help customers see that the exact date is not what to focus on; rather you can receive the magazine during that week, through Sunday before the next issue.

Product Delays (date of first announcement 7/20/2022)

Due to challenges currently facing the printing industry, the following products are currently out of stock or severely delayed. We do not have an estimated delivery date at this time.

- *The Christian Science Hymnal: Hymns 430–603*, musician's edition (G875B50806EN)
- *We Knew Mary Baker Eddy*, volume 1 (G750B50699EN)
- Holy Bible: King James Version, paperback (G800B50522EN)
