

Inspiration

First Church of Christ, Scientist, Ithaca, New York

This Reading Room has put a children's table by the front door. On it, they include some origami, chalk and markers, and children's books. Having it by the front door has encouraged children and their parents to come in.

If you would like to read articles from the periodicals about Reading Rooms, visit "[Reading Room resources](#)" page and scroll down the page to the "Inspiring articles from the Christian Science magazines" section.

We want to hear from you! How have members of your church and Reading Room staff been praying in support of the healing activity of your Reading Room? Please send your submissions to: opendoors@csps.com.
