

ANNUAL MEETING OF THE MOTHER CHURCH

**Ye are the light of the world.
Let your light so shine.....** MATTHEW 5:14, 16

Table of CONTENTS

A warm welcome to Annual Meeting 2026.

The theme this year consists of two parts. First, it is a Christly reminder that, by reflection, you are the light of the world. And the second part is a Christian request that you let your light so shine. The importance of this message cannot be overemphasized or diminished. It is expressed in your individual practice of Christian Science.

Your presence at Annual Meeting is testament to your devotion to the Church Mary Baker Eddy founded, and your commitment to ensuring the healing mission that Christ Jesus set as an example for Christianity is not lost again.

Thank you for being here. We are looking forward to two days of blessings and healing starting with the Sunday morning church service that will be simultaneously broadcast online to the worldwide congregation. Then, there will be a hymn sing, where we have the opportunity to sing with grace in our hearts to God (see Colossians 3:16). Afterwards there will be an afternoon service, full of fresh inspiration, even though it is a repetition of the morning service. On Monday we will come together for Annual Meeting.

How good it is to know that Christ Jesus assures us all that a shining light gives light to everyone in the house in which it shines. That biblical house is your community which embraces not only Church members but all within the locale, and indeed all on whom your thought rests. What an opportunity we have to strengthen church and our individual practice of Christian Science, and know that this glorifies your Father which is in heaven.

Thank you for being a shining light.

Warmly,

The Christian Science Board of Directors
