- **November 2025 statement:** Charge in error for December 8th Sentinel (FCPSTL2549C). This was part of the December 1st double issue (FCPSTL2548C) and should not have accrued a separate charge. A credit has been issued to your account, and the credited correction will be reflected in your January 2026 statement.

### **Introducing our new Christian Science Reading Room Product Catalog**

Available as an easily printable PDF, the [Product Catalog](#) includes all physical products that are available to Christian Science Reading Rooms.

You'll find the latest product releases highlighted on the first page, followed by a clickable table of contents so you can easily find the products you're looking for. The Product Catalog also includes general ordering instructions, information about continuity orders, and instructions for ordering bulk copies of *The Christian Science Monitor*. The purpose of this catalog is to provide a comprehensive view of all products sold in Christian Science Reading Rooms and support librarians in their ordering needs.

For easy ordering, when viewing on a computer, the catalog allows you to click on a product and immediately be linked to that product's ordering page on the Christian Science Online Shop.

Please note that this Product Catalog does not include products that only have digital distribution, like ebooks or downloadable audiobooks.

We plan to update the Product Catalog on a regular basis, introducing improvements and new features as needed in order to make it as useful as possible.
