

Inspiration

First Church of Christ, Scientist, Ithaca, New York

This Reading Room has put a children's table by the front door. On it, they include some origami, chalk and markers, and children's books. Having it by the front door has encouraged children and their parents to come in.

If you would like to read articles from the periodicals about Reading Rooms, visit “[Reading Room resources](#)” page and scroll down the page to the “Inspiring articles from the Christian Science magazines” section.

We want to hear from you! How have members of your church and Reading Room staff been praying in support of the healing activity of your Reading Room? Please send your submissions to: opendoors@csp.com.

EVENTS & OPPORTUNITIES

Annual Meeting 2022

We’re so grateful we could gather together this year in Boston and online for Annual Meeting 2022. It was a joy to explore this year’s theme together:

One infinite God, good, unifies men and nations; constitutes the brotherhood of man; ends wars; fulfils the Scripture, “Love thy neighbor as thyself;” annihilates pagan and Christian idolatry, — whatever is wrong in social, civil, criminal, political, and religious codes; equalizes the sexes; annuls the curse on man, and leaves nothing that can sin, suffer, be punished or destroyed.

— Mary Baker Eddy, *Science and Health with Key to the Scriptures*, p. 340, emphasis added

The Annual Meeting replay is now available in English, French, German, Portuguese, and Spanish at christianscience.com/annualmeeting. Enjoy!

Zoom chats with Reading Room Ambassador Jan Sappenfield (date of first announcement 7/20/2022)

We have had two Zoom chats with Reading Room Librarians in the past few weeks. They have been full of idea sharing, inspirations, and good fun. We have focused on the East Coast of the United States for now, for time reasons, but will be “zooming” to the West Coast shortly. These chats will be ongoing, so if any of you would like to be included, please let Jan know. Her email is sappenfieldj@csp.com.

Reading Room Webinars

If you have a suggestion for a webinar topic, please send it to: opendoors@csp.com. We want to make sure that our webinar topics are of interest to you. All but one of the webinars presented in 2021 have come at your request.

A note about this year's Bound Volumes – due to the redesign of the *Sentinel*, there will be only one *Sentinel* volume for the entire year, rather than the two that we have been having. The new format of the *Sentinel* means that the book will be smaller in size, too, and the cover will look a little different than past years.
