

Inspiration

from First Church of Christ, Scientist, Windsor, Ontario, Canada

We've had people popping into our Reading Room asking if we're hiring. I'm planning a slideshow with relevant job search quotes for our window now that Mother's Day is over, and was thinking that it would be nice to have a packet with some inspirational material to offer. I'm going to print off a handful of recent JSH articles and include them and for anyone who is still a student, I'll include the JSH-Online postcard with the student rate advertised on it. I've also found some relatively recent Sentinel Audio podcasts and I'll put a postcard together with QR codes to link to a few of the podcasts and mention on the postcard that if they found anything helpful that they can stop in the Reading Room for more material. We look forward to connecting with our community in this way.
