

God Is Everywhere!

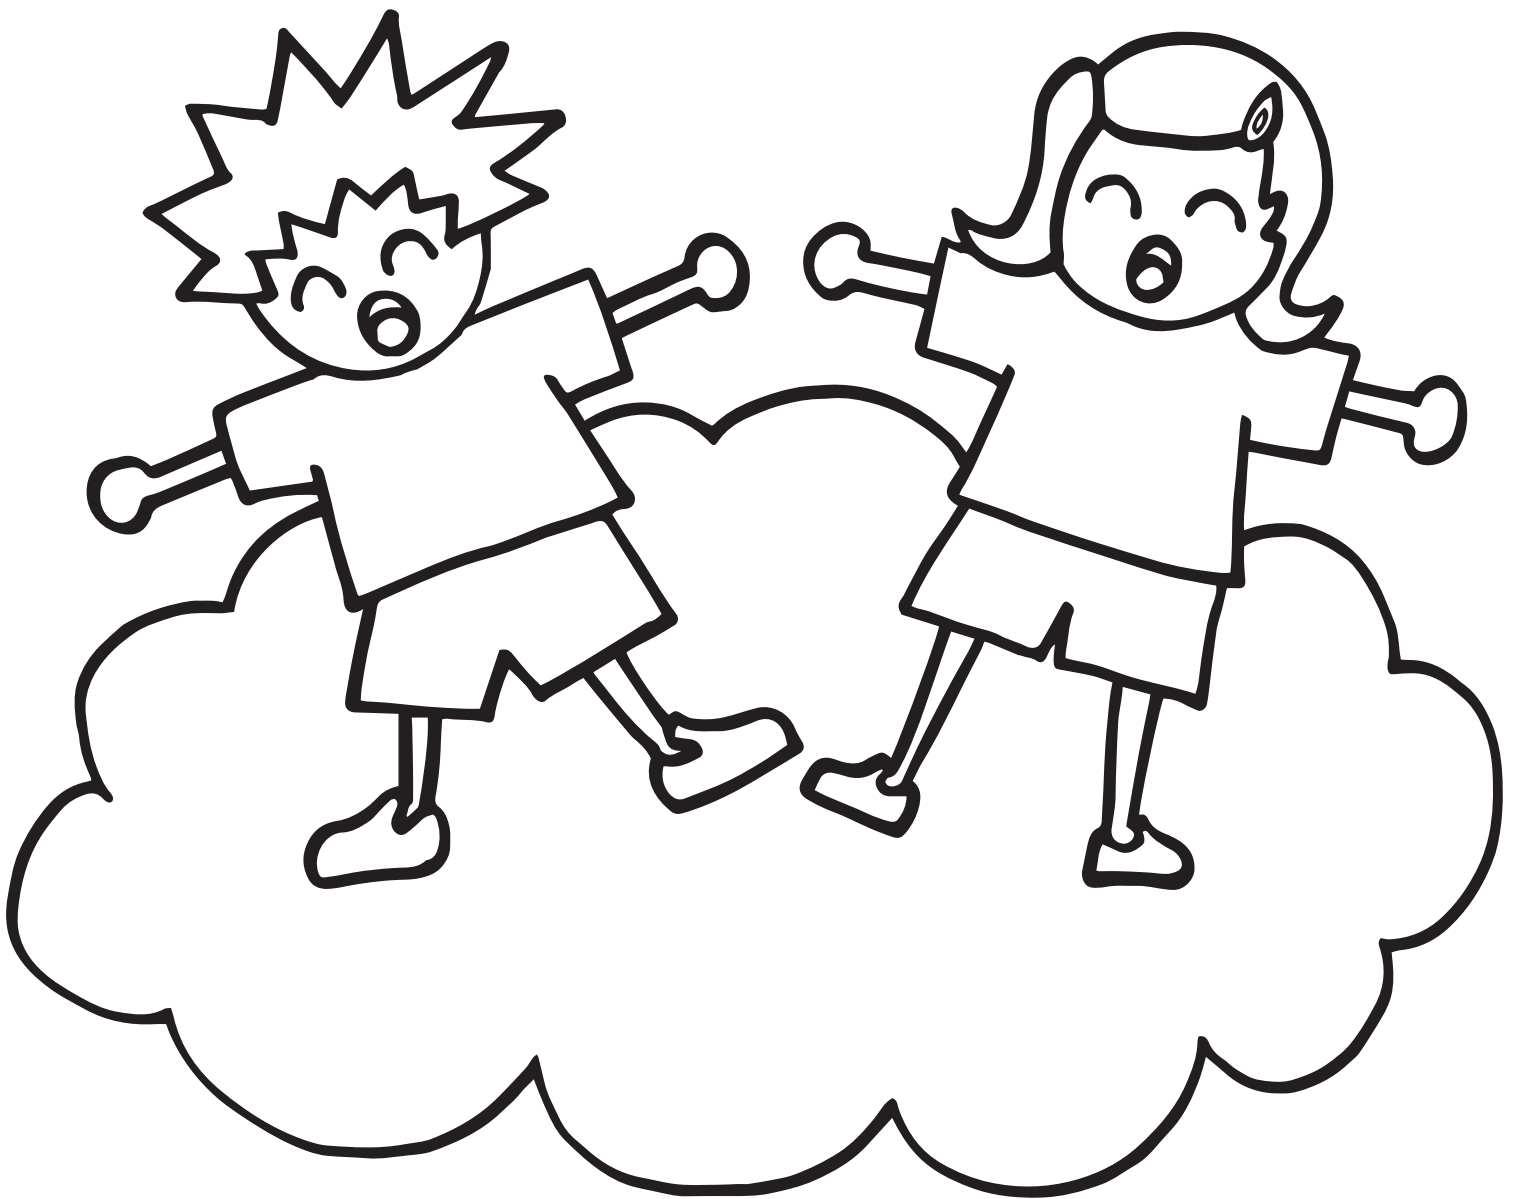

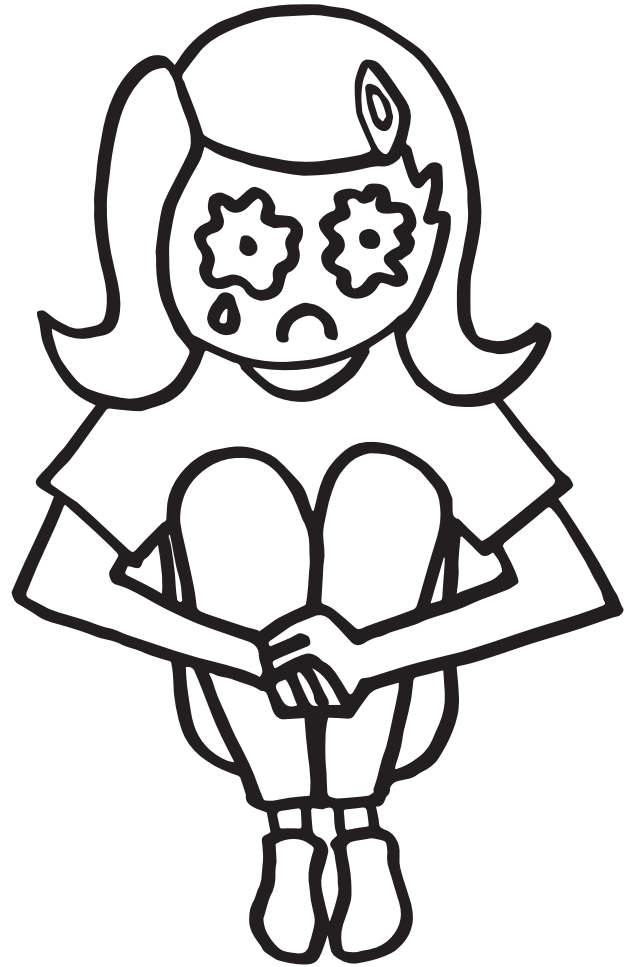

Where can I go to get away from Your spirit?

Or how can I run away from Your presence?

**If I'm so happy
that I feel like I'm in heaven;
You are there.**

**If I'm so sad that I feel all alone;
You are still there.**

**Even if I could fly far, far away
and live on an island,**

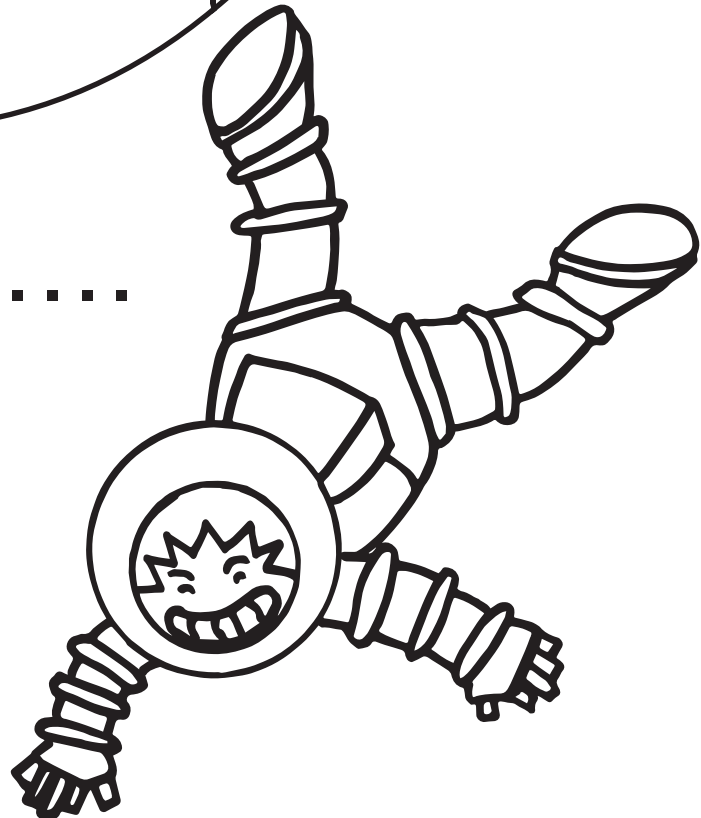

Underground,

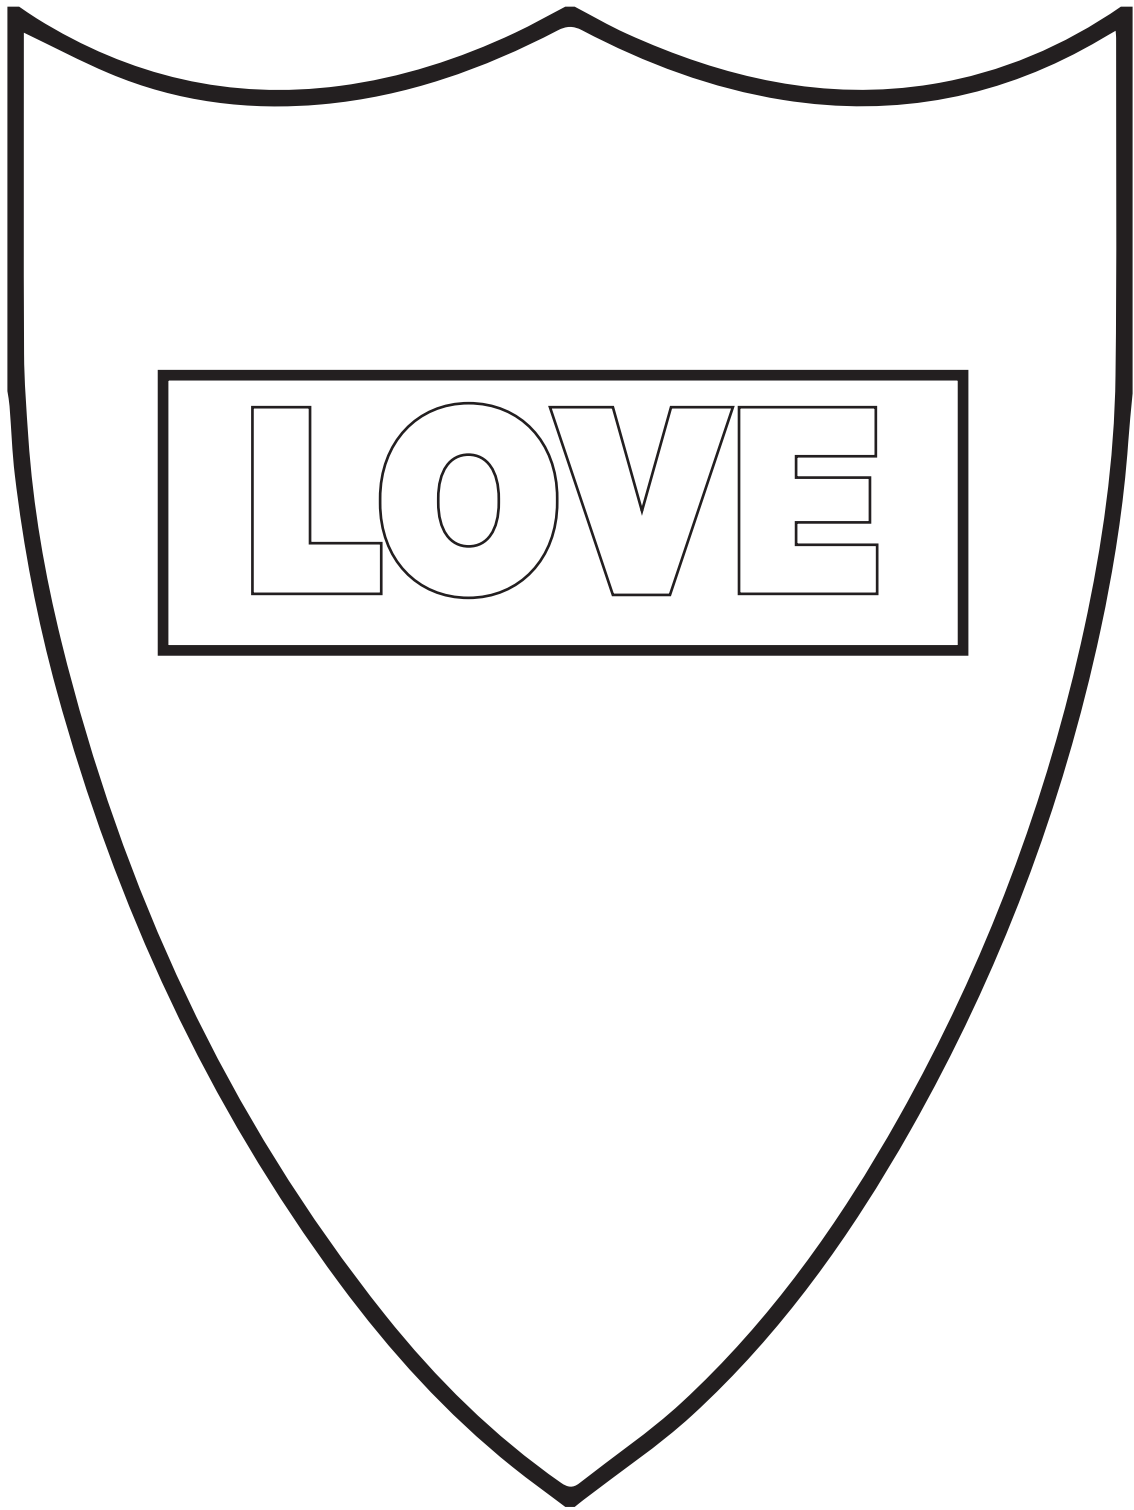

Or even in outer space

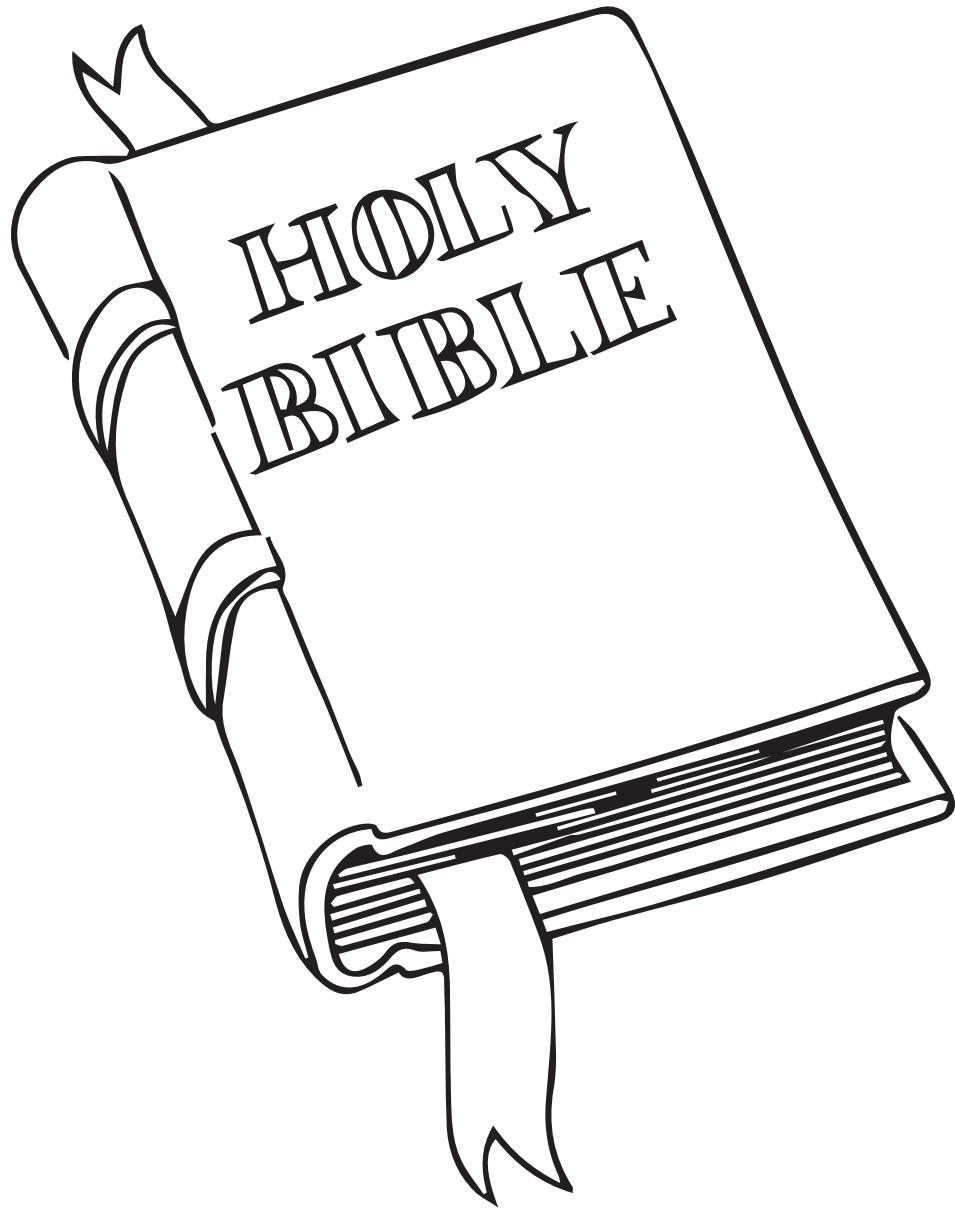

Even there Your hands will guide me,

And You will always keep me safe.

verses 7 through 11 of Psalm 139.
You can read it for yourself in the Bible.**
